

Annulate Lamellae – Nucleopore Complexes and Tubulohelical Membrane Arrays

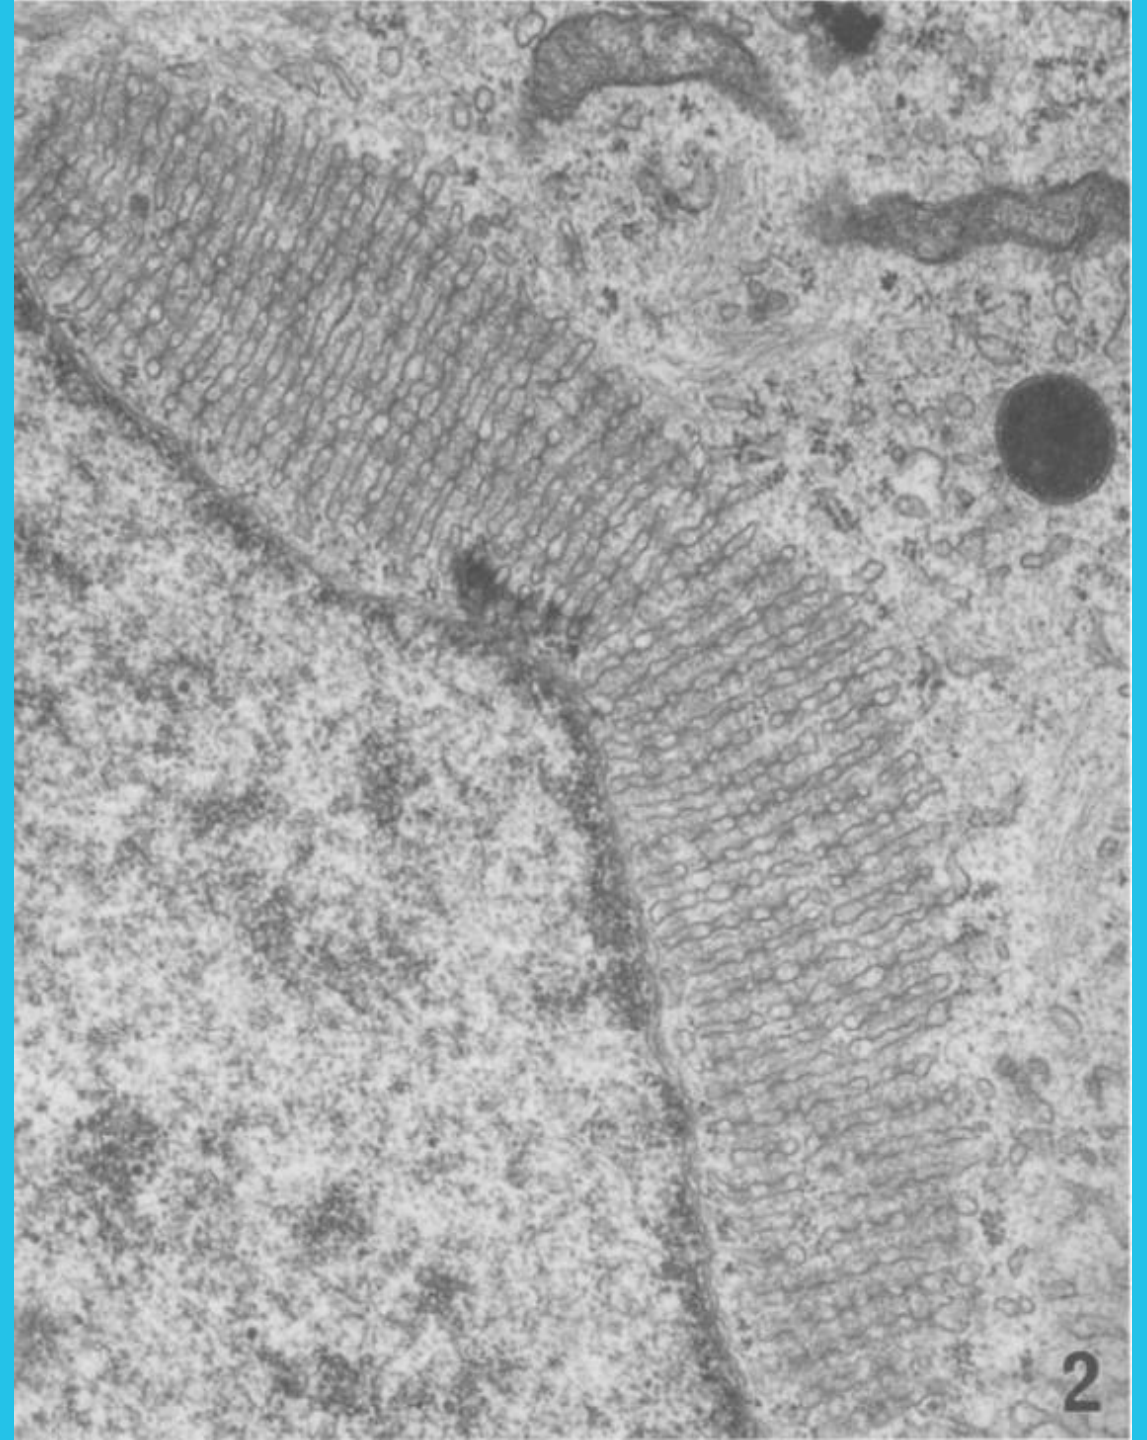

Previously Annulate Lamella

Presented by Mark E Koina, 26 June 2025

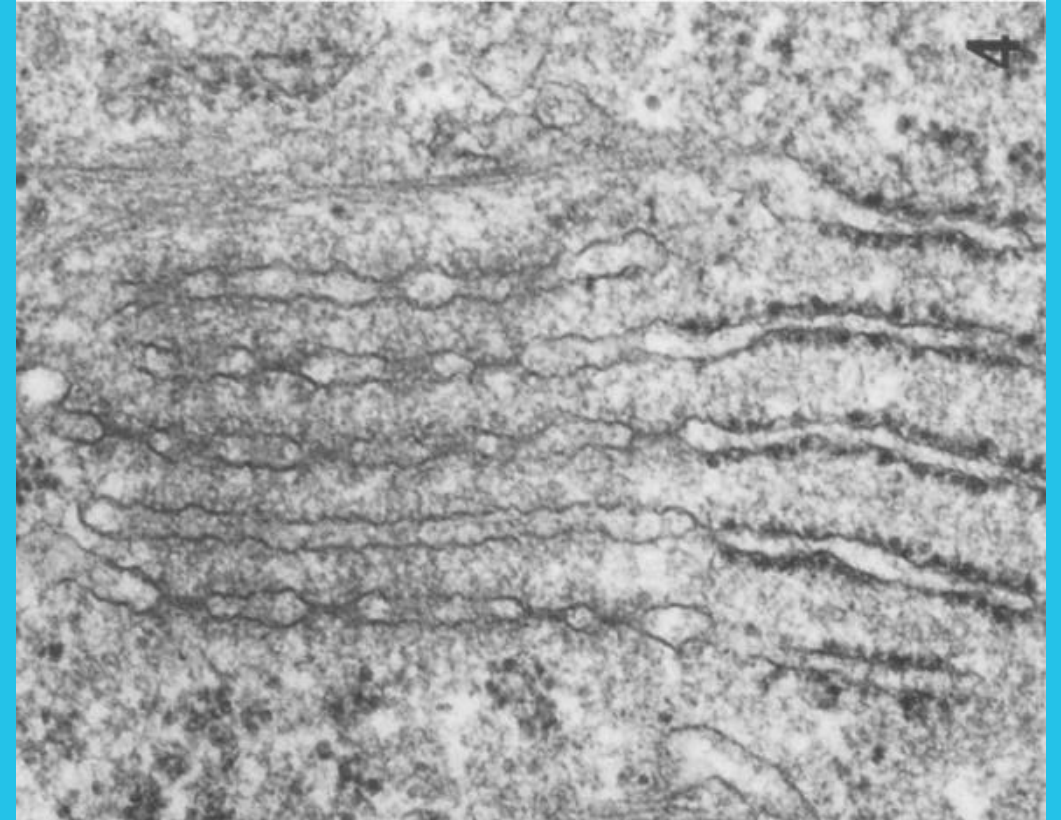

Location

Contiguous with RER

Function of Annulate Lamellae

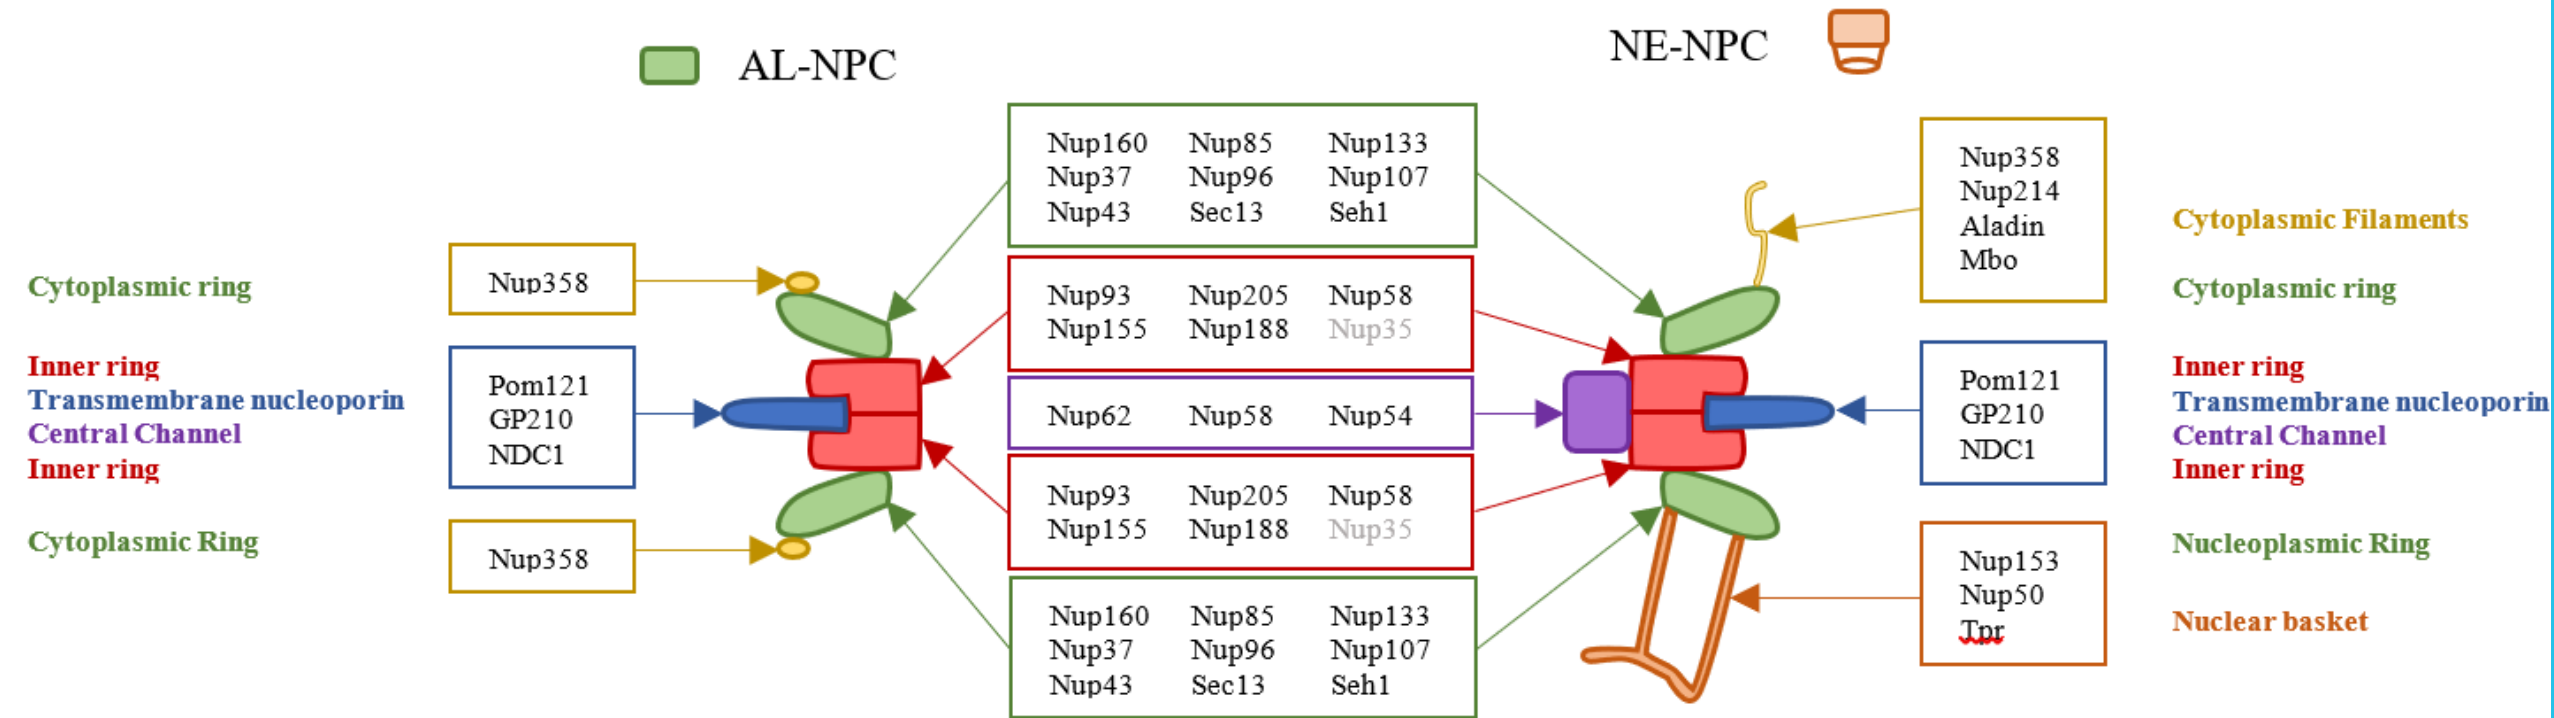

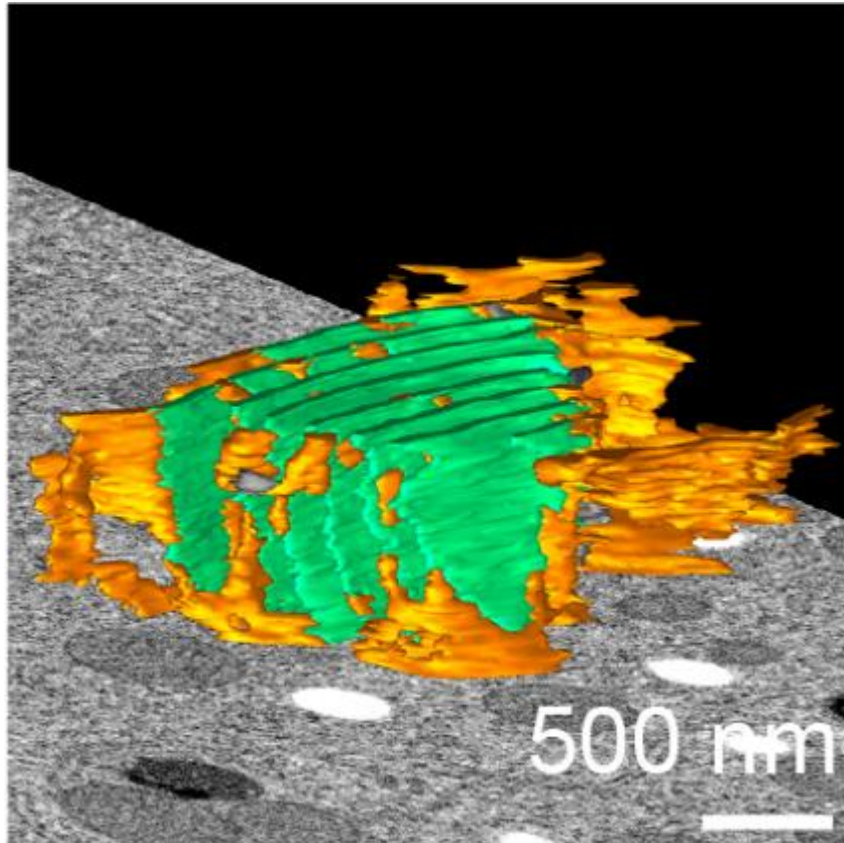

Plate 6.6

**What is in the rest
of this plate?**

Plate 6.6

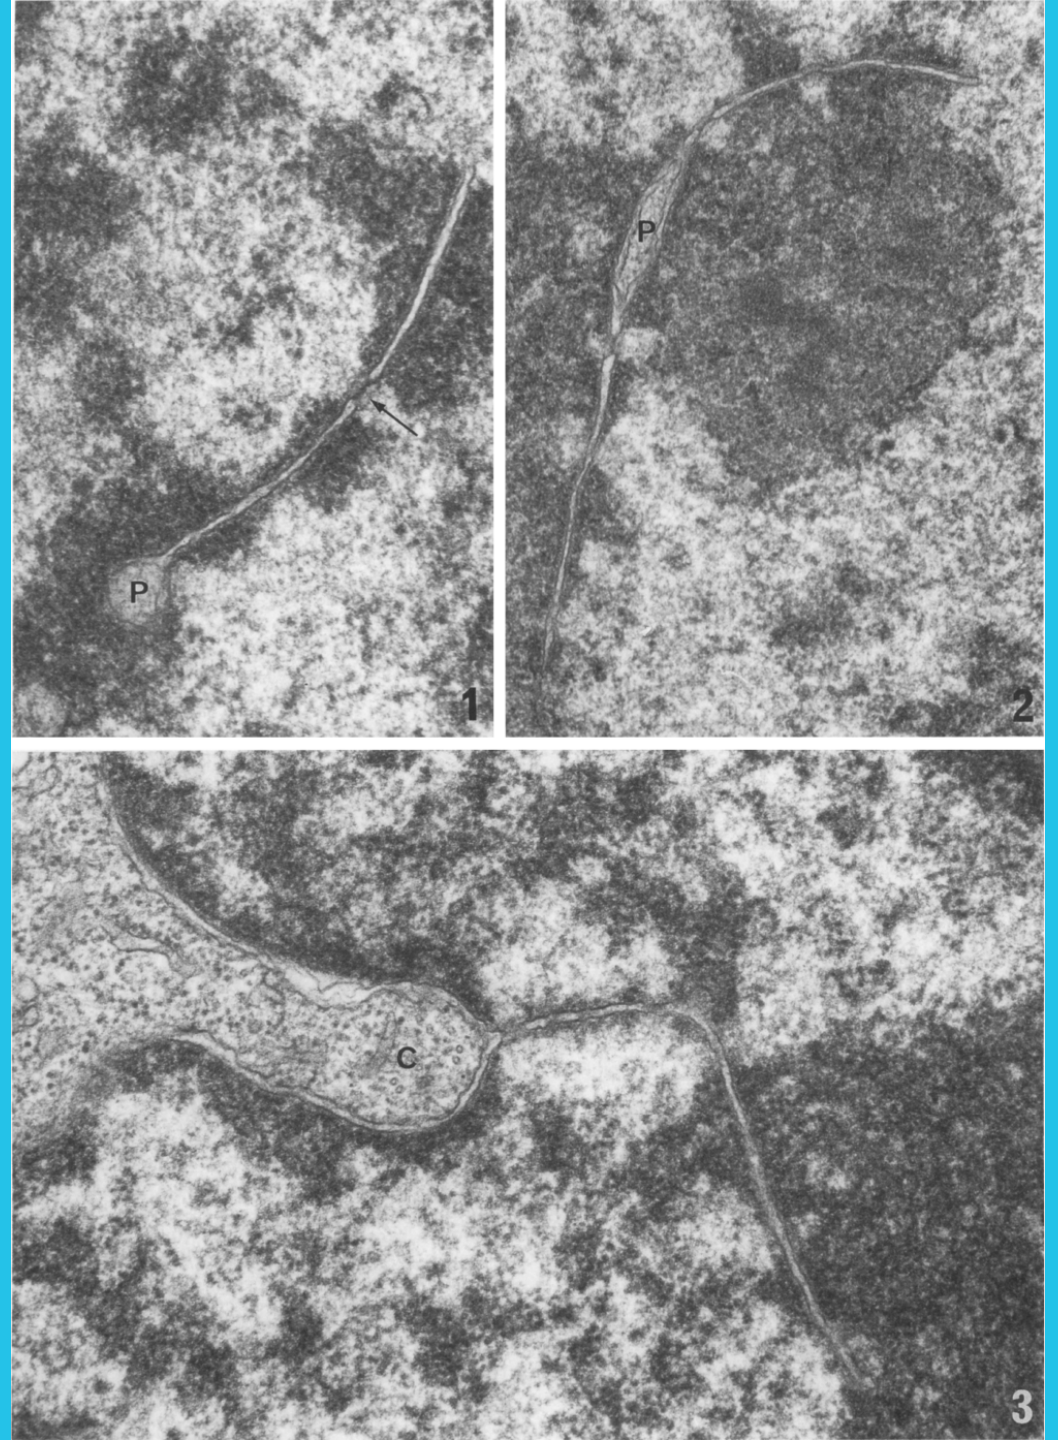

Lots!

**See page 359 of
the new edition.**

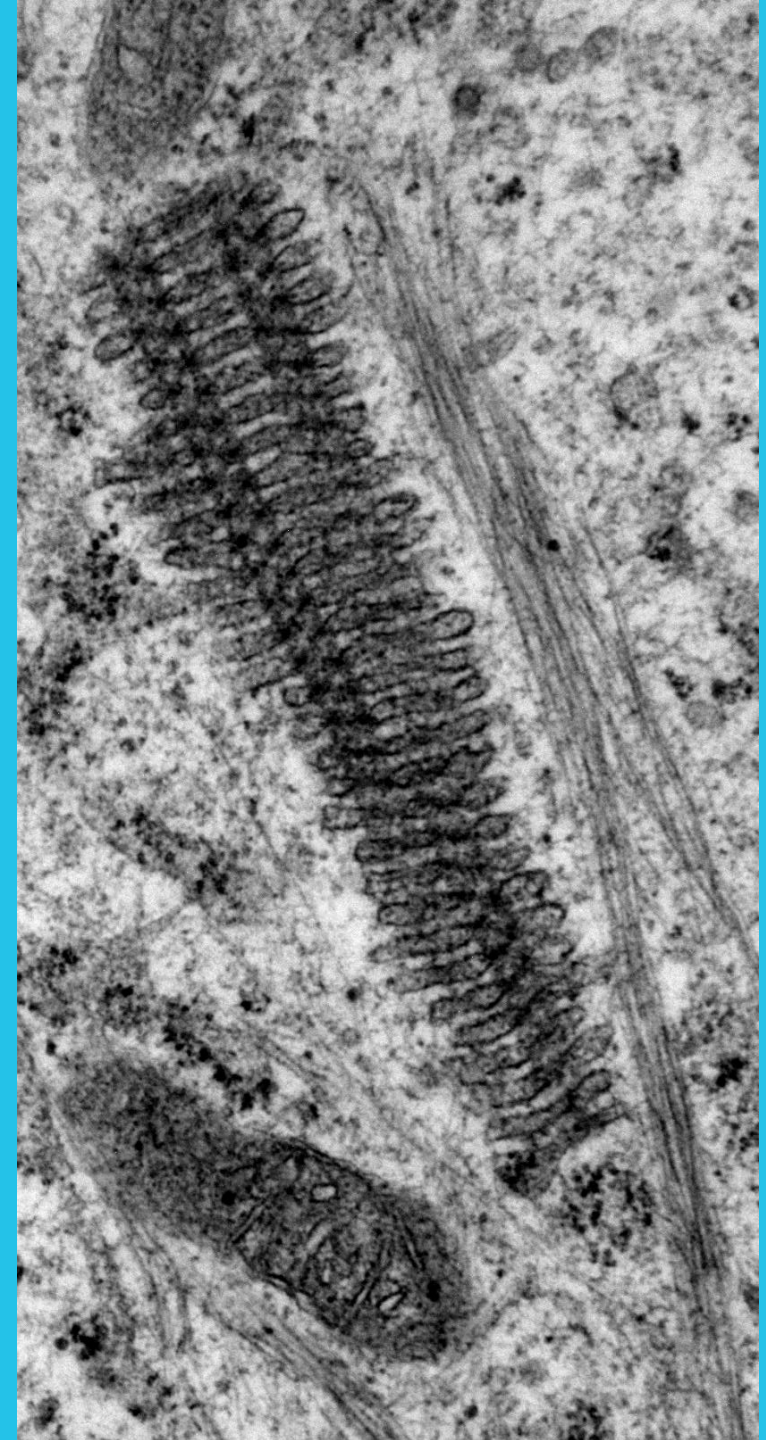

What this all means?

TUHMA

Tubulohelical Membrane Arrays

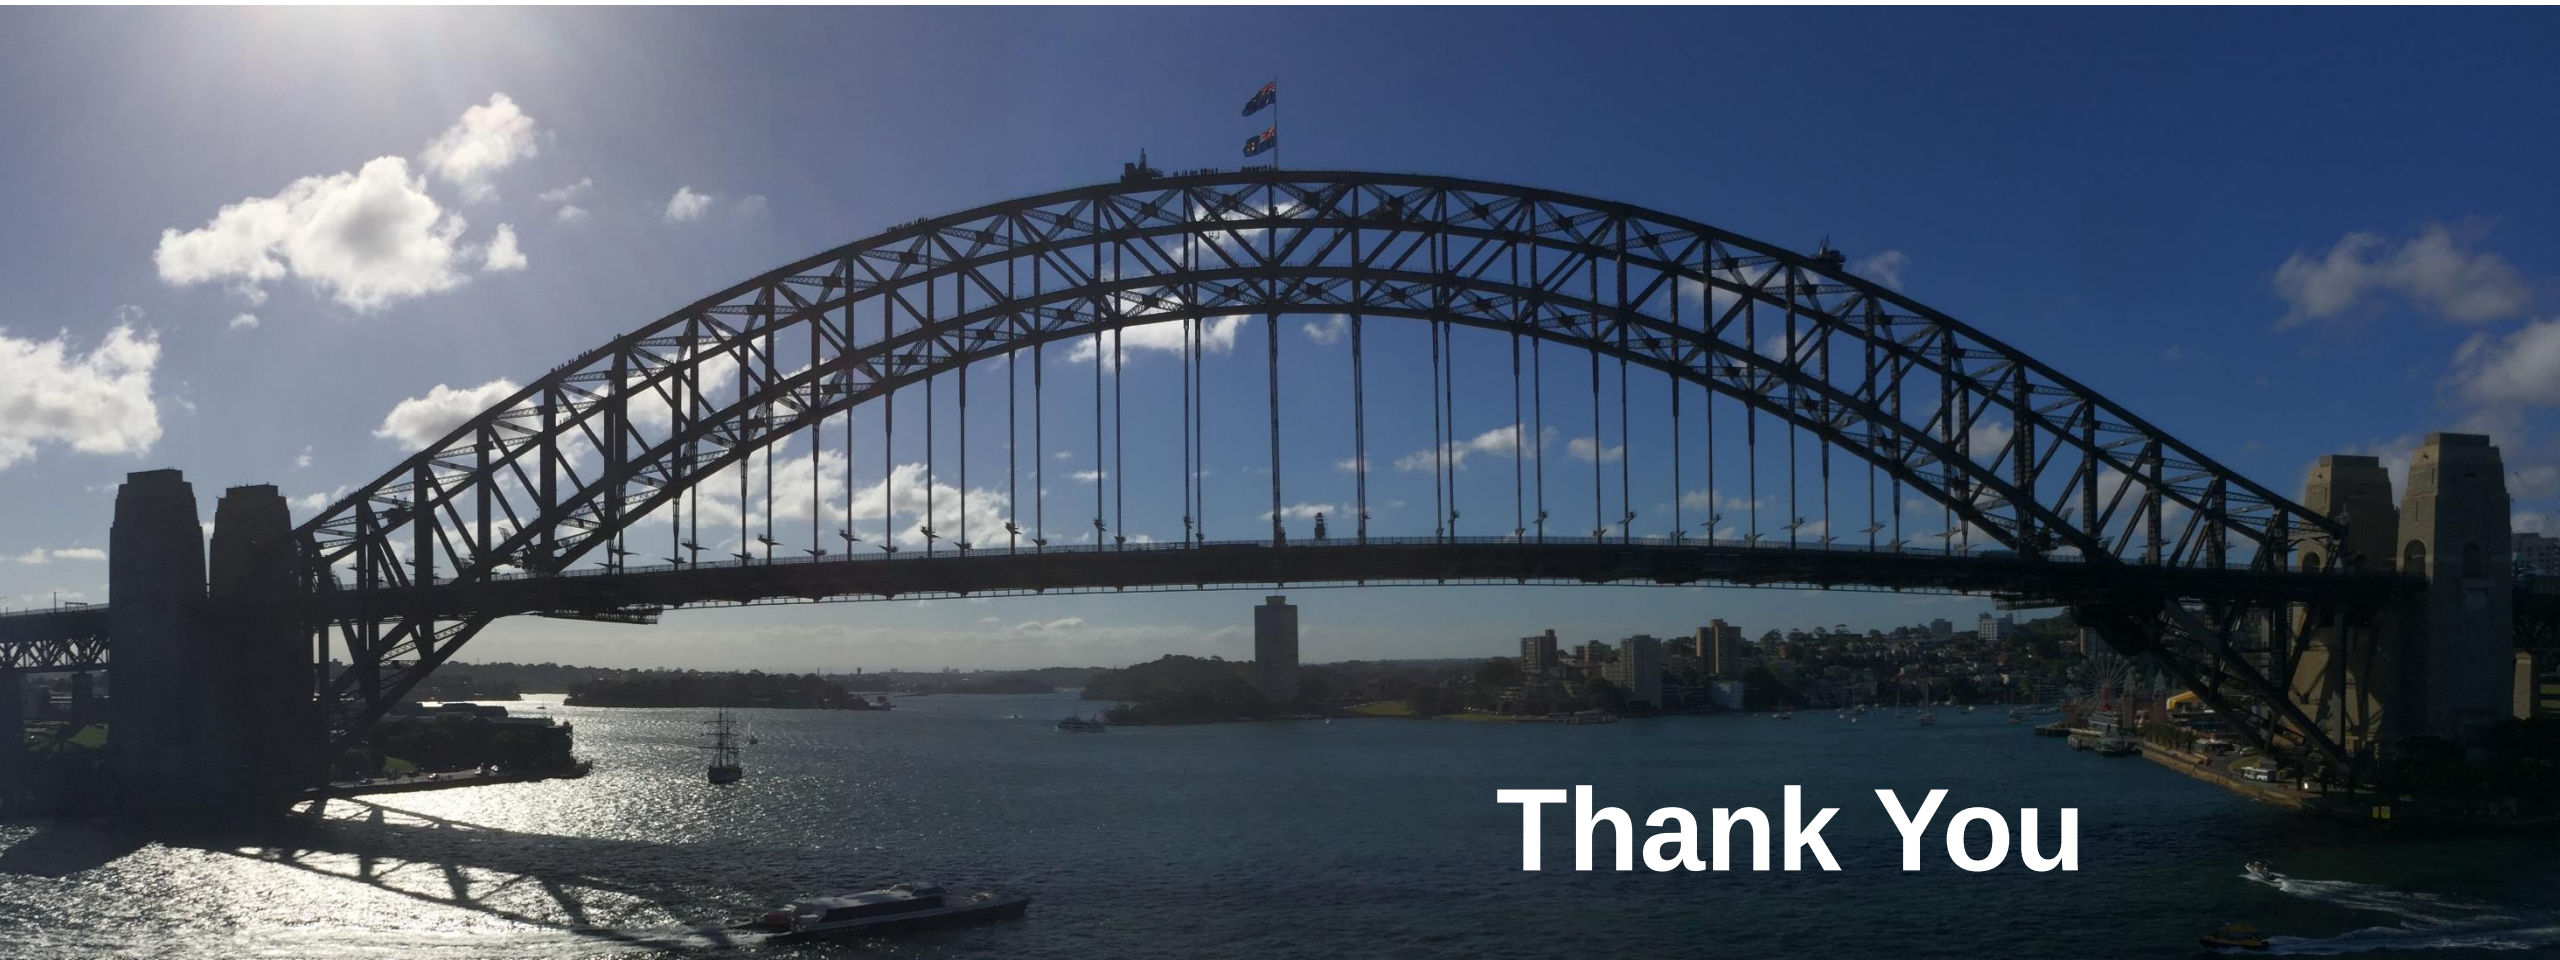

TUHMA

**How can we be
certain they aren't
Annulate Lamellae?**

TUHMA

**Read about the
differences on Page
358.**

Thank You
